Care. Delicacy.
Let's start from one action and then the
sensitivity towards the matter will drive us into our
way of working.
Each UFO table is born in this way.

*Cura. Delicatezza. Cominciamo da un gesto.
E la sensibilità verso la materia ci guida nel nostro operare. Ogni UFO nasce da qui.*

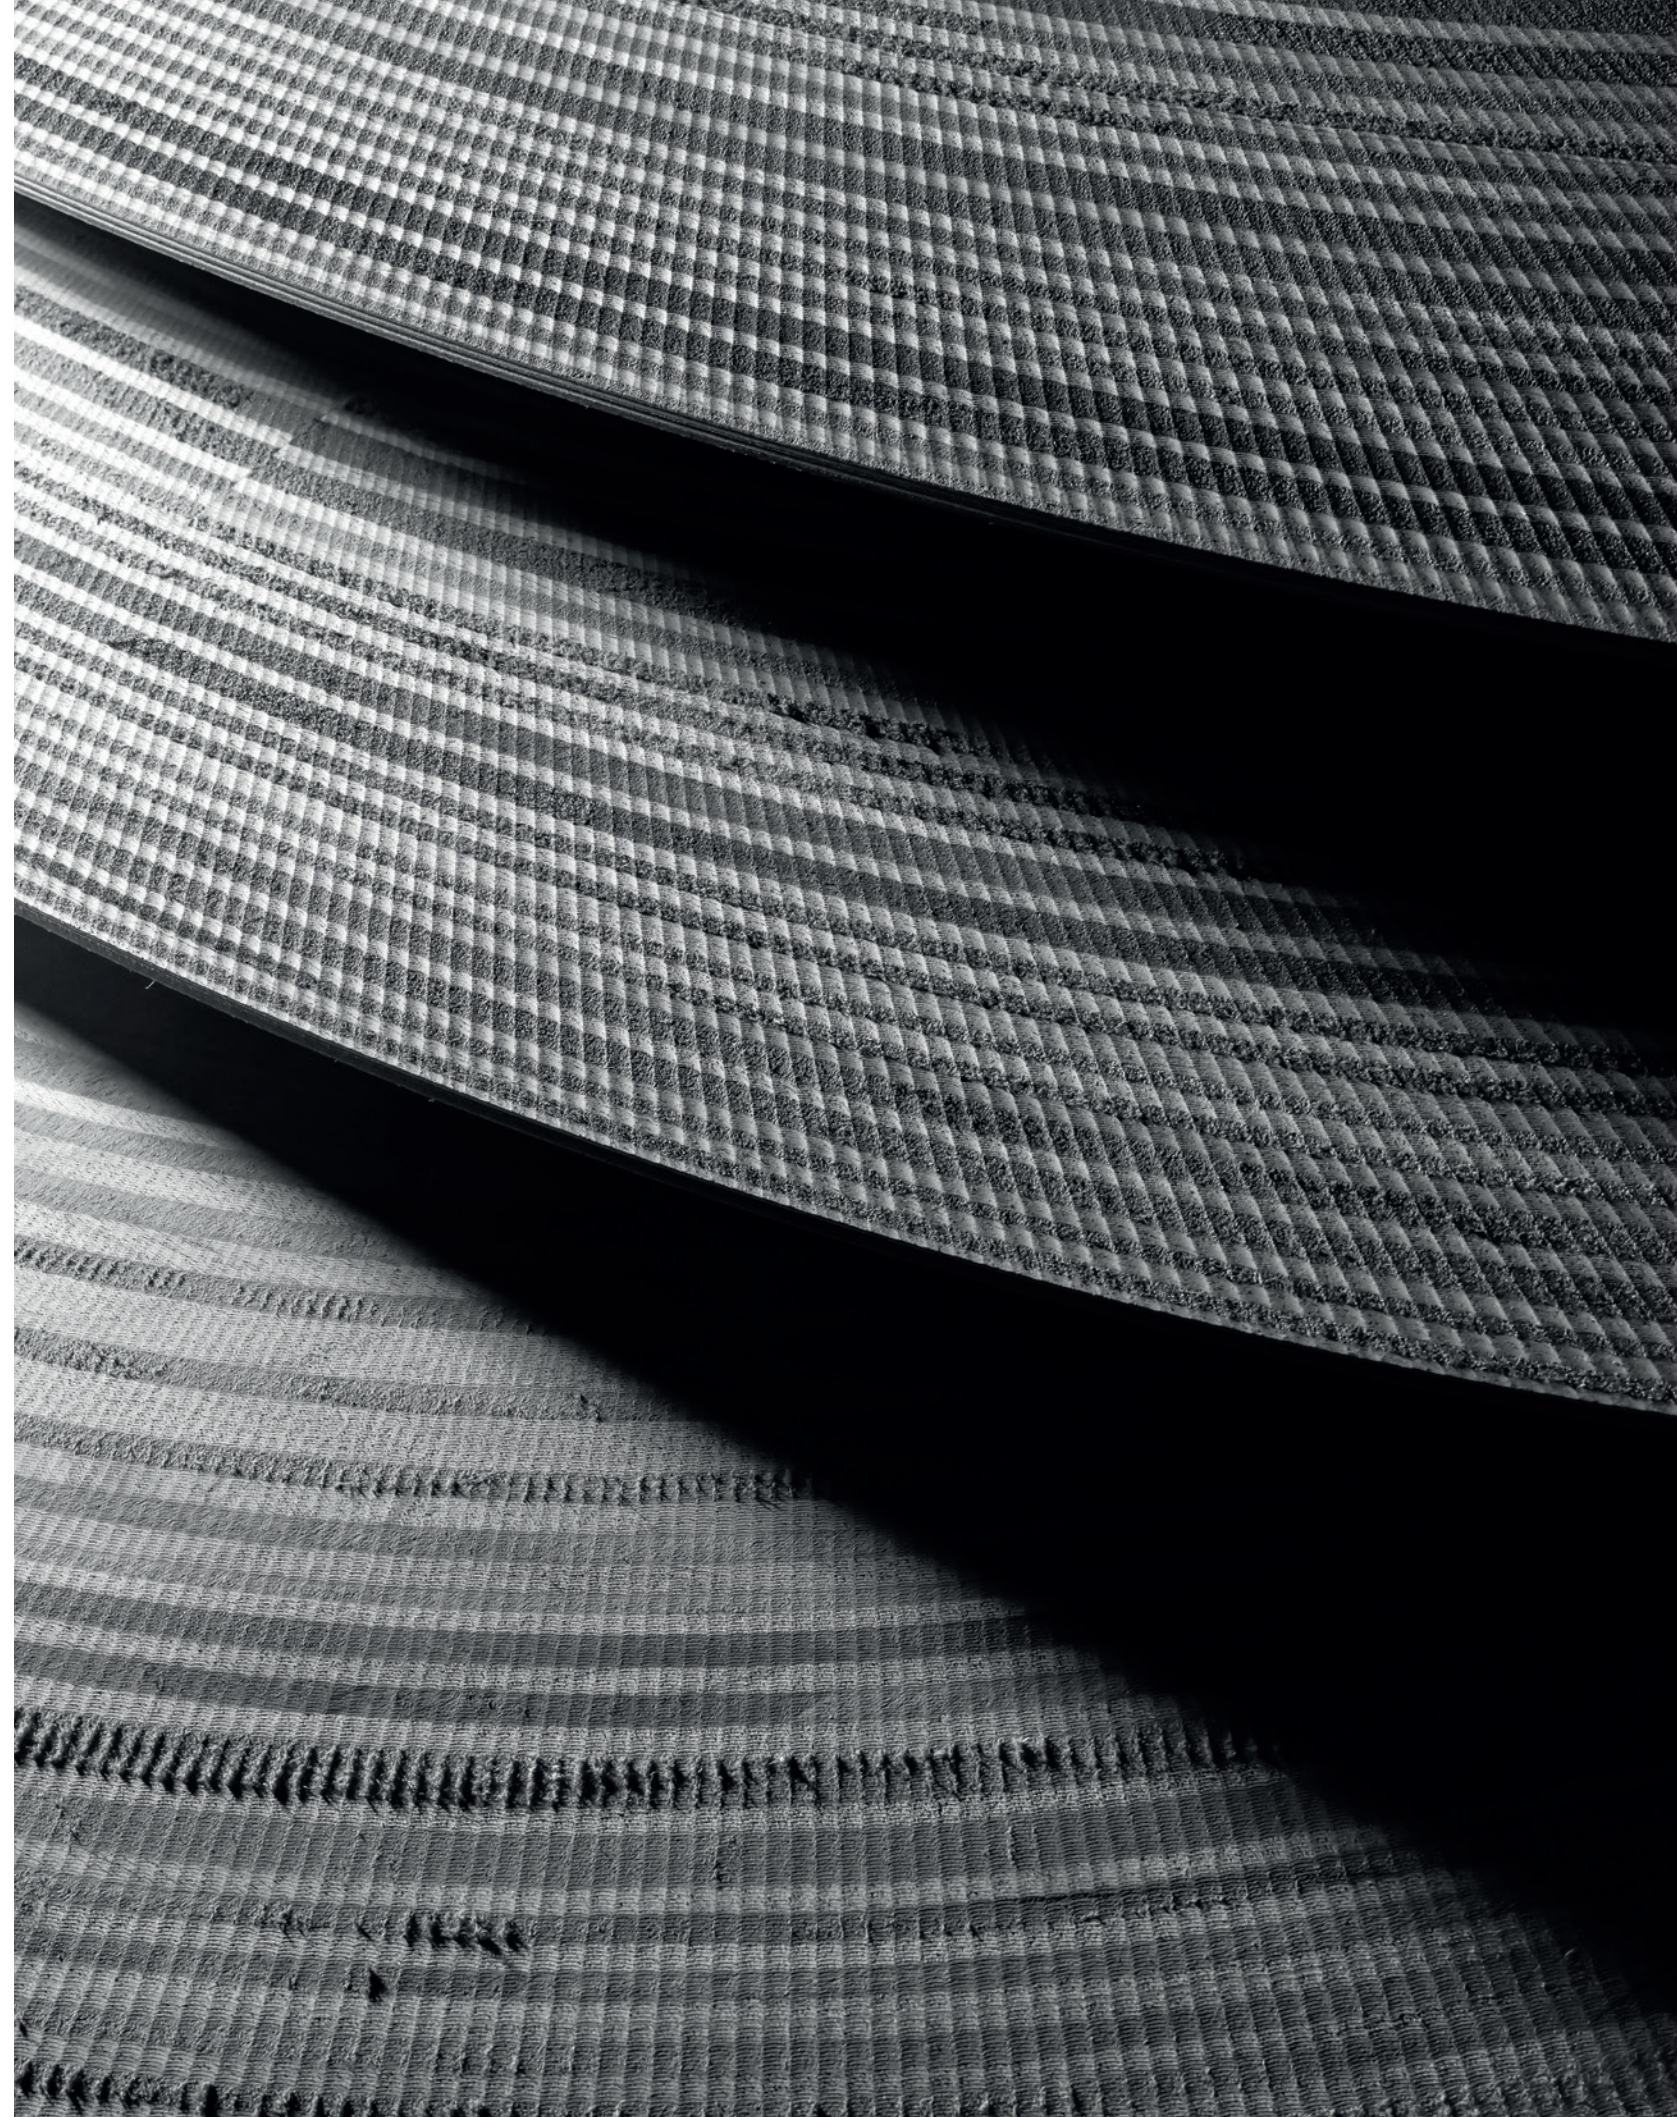

Spaces and rooms tell something about us, about our way of working and our passion. They tell about our soul and about the passing of the time which allows us to create every UFO, a timeless table.

Spazi e luoghi raccontano di noi. Del nostro lavoro. Della nostra passione. Della nostra anima. Del tempo che scorre e che ci permette di dar vita a ogni UFO, un tavolo senza tempo.

Discovering. One soul full of passion hides behind every detail of perfection and refinement.

The bursting strenghtness of the matter.

*Scoprire. Dietro ogni dettaglio di perfezione e raffinatezza si nasconde un animo ricco di pathos e passione.
La forza prorompente della materia.*

Crossing every line. To make each UFO one of a kind. Thought and designed on the customer's needs who will appreciate its beauty.

*Superare ogni limite. Permettere a ogni UFO di essere unico.
Progettato e realizzato sulle esigenze di chi lo vivrà e potrà apprezzarne la bellezza.*
