REPOSER

A SEATING LANDSCAPE

Newly launched, the REPOSER armchair continues the aesthetic mandate begun by the REPOSE collection of seating. Designed to be supremely comfortable and enveloping, the asymmetrical form of the REPOSER seat and backrest is intended to gratify the intuitive act of sitting.

Inspired by the brutal beauty of Brazilian modernism and the primal geometry of constructivist architecture. COSMO is an intriguing composition of forms that are a meeting of harmony, balance, and provocation.

CAPE

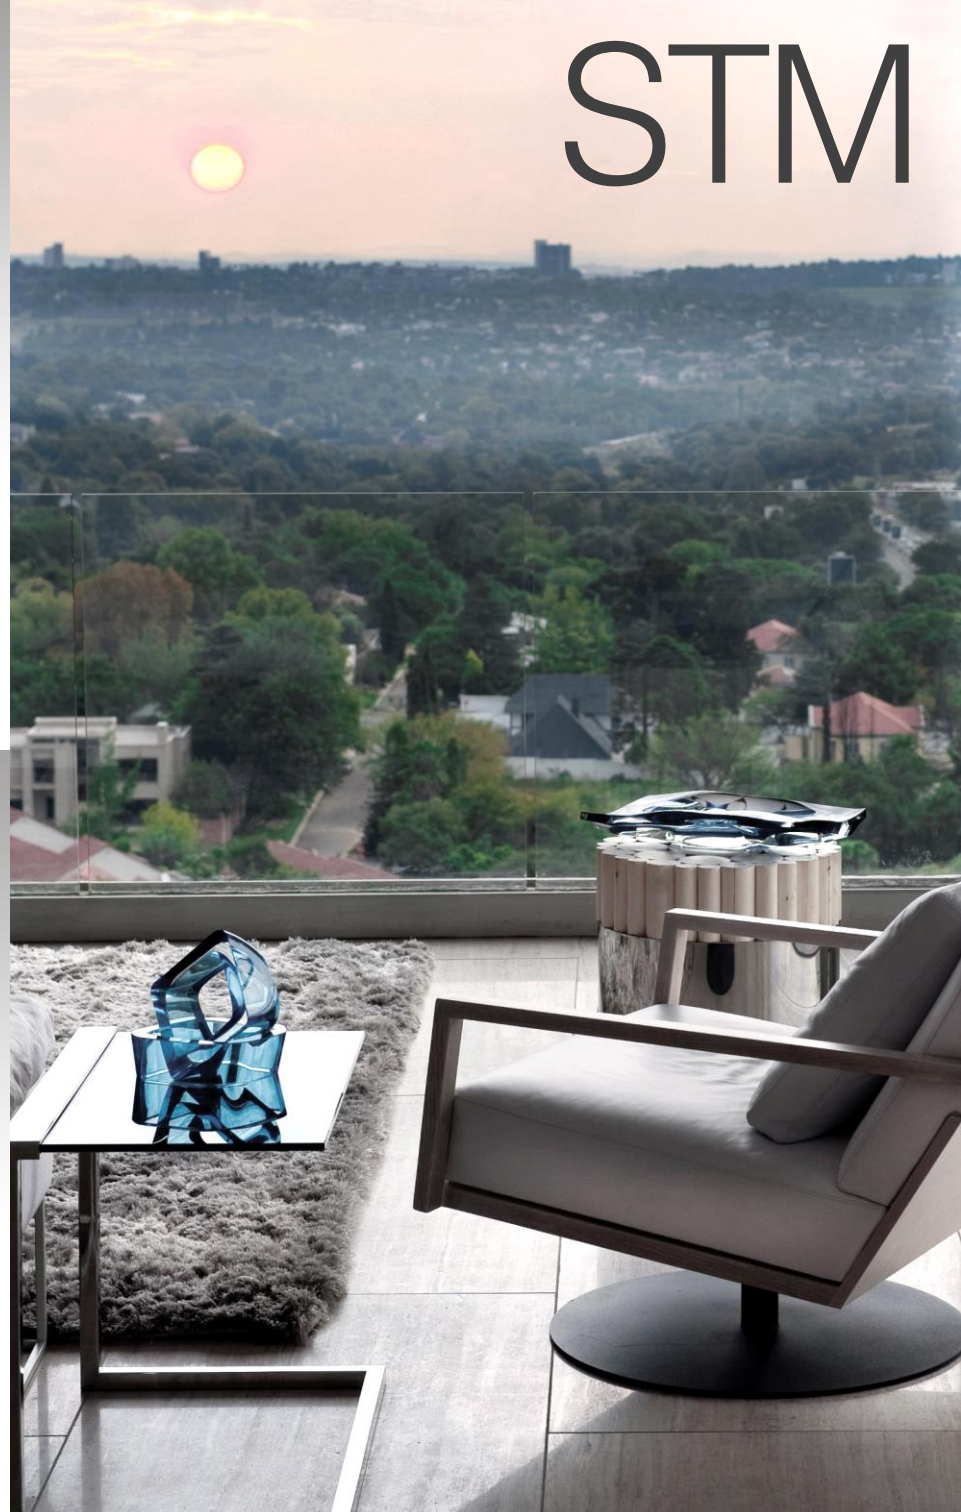

CAPE

Following the fluid and sensual lines established by the REPOSE & REVERB sofas, our latest deep-seated and comfort-focused seating experience is CAPE. Named after our sublimely nature-blessed home, Cape Town, a city nestled within a dramatic landscape of mountain and sea, the CAPE sofa and armchair focus on the design of elegance and ultimate well-being.

NICCI

NICCI

The highly versatile NICCI Collection offers three contemporary armchair designs: NICCI Steel, Timber, and Nouveau to complement every setting.

NAUT

The enigmatic NAUT armchair is a design focused on exacting proportions. Deceptively simple in form, it is a reductionist, purist work, an intuitive composition of three interlocking geometric forms that come together to create a dynamic unity, a truly distinctive character, and of course, great comfort.
