From a deep respect for material, this Emmemobili Collection of decorative objects was born. Sober geometries and elegant lines leave room for the authenticity of the materials; forms that are only apparently simple are enhanced by the purity of the chosen material. Each creation encompasses a passion for the design of the form, the choice of the best material and an attention to execution in every detail where craftsmanship meets the precision of the most modern technology. Each piece is in itself unique and carries within itself all the intensity that these materials can give. Pieces that can be admired in their fullness and in the heterogeneous compositions they can compose, evoking an atmosphere of great impact.

Da un profondo rispetto per la materia, nasce questa Collezione di oggetti decorativi Emmemobili. Geometrie sobrie e linee eleganti lasciano spazio all'autenticità dei materiali; forme solo all'apparenza semplici vengono esaltate dalla purezza del materiale scelto. Ogni creazione racchiude la passione per il disegno della forma, la scelta del materiale migliore e una cura nell'esecuzione in ogni dettaglio dove il sapere artigianale incontra la precisione della tecnologia più moderna. Ogni pezzo è in sé unico e porta dentro di sé tutta l'intensità che questi materiali riescono a dare. Pezzi che si lasciano ammirare nella loro pienezza e nelle composizioni eterogenee che ci possono proporre evocando un'atmosfera di grande impatto.
